These scores will be given by the Organising Committee within the framework of a presence - based or online meeting. All applicant GALLERIES or PUBLISHERS, whether they attended the previous edition or not, will be evaluated by applying the above.

B.3. Resolution of the received applications

- The PARTICIPATION of applicant GALLERIES and PUBLISHERS will be resolved by IFEMA MADRID in accordance with the evaluations of the Organising Committee.

The WAITING LIST may be completed with those applicants that the Appeals Committee, in resolving the submitted appeals, considers to have demonstrated the qualities required to participate with their score, and the DEFINITIVE WAITING LIST will be established. Once the DEFINITIVE WAITING LIST has been prepared, the Management of ARCOmadrid will proceed to fill the vacancies in the manner indicated above.

IFEMA MADRID, through the Management of ARCOmadrid, will proceed to inform the Applicant in writing of the decision taken regarding their participation or otherwise, as indicated.

Likewise, the conditions expressed in the APPLICATION FORM (registration fees, payment deadlines, assembly dates, insurance and others) must be met; otherwise exhibitor status will be lost.

Exhibitor renunciation to participate in the fair is regulated in the General Rules for Participation of IFEMA MADRID - art. 7 of the General Conditions of Admission and Contracting - and is grounds for termination of the contractual relationship between IFEMA MADRID and the Exhibitor under the terms and conditions specified in the aforementioned article.

- The Management shall notify those GALLERIES or PUBLISHERS that have not achieved the necessary score to be exhibitors whether they have been included in the WAITING LIST or whether it is considered that they have not demonstrated the necessary qualities to participate in the fair with the score they have obtained.
- The Management will also inform any GALLERY or PUBLISHER of the achieved score if they request it.

B.4. Appeal

GALLERIES or PUBLISHERS that have not achieved a necessary score to obtain a booth in the IFEMA MADRID selection process in accordance with the evaluations of the Organising Committee may appeal against this decision to the Appeals Committee cited in Article 1.2 of these Rules.

To this end, it will be necessary for the GALLERY or PUBLISHER to inform the Management of their intention to appeal by email within five business days after notification of the resolution by email on their participation in the fair. In this case, within five business days, they will be informed by email of the points they have obtained, broken down in accordance with the EVALUATION AND SCORING CRITERIA.

If, after finding out its score, the gallery wishes to file an appeal, this must be sent by registered post with acknowledgement of receipt to IFEMA MADRID, addressed to the Management of ARCOmadrid 2025, within five business days following notification of the score obtained, and the Management shall transfer it to the Appeals Committee, which must resolve on all appeals before **November 14th**.

The Appeals Committee will review all claims of the Galleries or Publishers that have appealed. In reviewing them, it will not be able to take into account any new documentation different from that provided in

the EVALUATION SHEET, only the allegations formulated in the appeal brief will be analysed.

Only in those cases in which the Appeals Committee appreciates considerable arbitrariness in the score given, the score may be adjusted upwards, depending on the relevance of the scored item, with the consequences that this entails as regards acquisition of exhibitor status or inclusion in the WAITING LIST or the maintenance of the status of NOT ADMITTED.

The Fair Management shall attend the meetings convened by the Appeals Committee, as an observer but without vote.

The decisions of the Appeals Committee shall be notified in writing and will be final.
